

Rustic Micro
Weddings
at
Bowfield

Created with a more intimate celebration in mind, our new Micro Wedding Package is perfect for couples who want a wedding that feels truly personal and special, with a smaller guestlist.

Celebrating with 20 guests, your wedding will still include all the important moments. From a romantic ceremony in our rustic Elliston Suite to a delicious four-course dinner with your loved ones in our Roebank Suite.

You'll have exclusive use of these spaces, so you can enjoy total privacy with your friends and family as you celebrate.

As well as making the most of the beautiful countryside views surrounding the venue, our team will take you and your photographer on a trip in our Land Rover Defender for even more scenic photos.

To extend the magic of this unforgettable day, you will also have the Ben Lomond Honeymoon Lodge to yourselves to spend the first night as newlyweds in a blissful and luxurious setting.
